

GOVERNMENT & POLITICS – B.A & B.S and INTERNATIONAL RELATIONS – B.A & B.S

Updated 6/4/25

Elementary Level Foreign Language Courses

ALL GVPT and IR students must complete the entire elementary level of a foreign language. The courses outlined below comprise the entire elementary level for each listed language. For languages with multiple elementary courses, you must complete or demonstrate proficiency through the end of the entire sequence. Only taking the first course in the sequence will NOT fulfill this requirement. If you test into the final course in the elementary sequence, you must demonstrate proficiency through the entire elementary level by successfully completing that course. If you have prior language experience in a language NOT listed on this sheet, please contact GVPT Advising to determine how to proceed. Language waivers offered through the GVPT department DO NOT impact language placement through language testing offered at UMD.

ARABIC

ARAB101 & ARAB102— 6 credits
