Intermediate Level Foreign Language Courses

GVPT B.A students *may* choose to fulfill their Additional Skills requirement with 1 intermediate foreign language course from the list below.

IR. B.A students **MUST** complete at least 1 intermediate foreign language course from the list below.

IR B.S students *may* choose to fulfill their Additional Skills requirement with 1 intermediate foreign language course from the list below.

If you have prior language experience in a language NOT listed on this sheet, please contact GVPT Advising to determine how to proceed. Language waivers offered through the GVPT department **DO NOT** impact language placement through language testing offered at UMD. If you wish to take an intermediate language course, you must either build up to the intermediate level through the successful completion of elementary level coursework or test directly into an intermediate level course.
