

# GOVERNMENT & POLITICS – B.S and INTERNATIONAL RELATIONS – B.S

Updated 10/28/25

## Quantitative Skills Courses – B.S Track

**GVPT B.S** students must fulfill the Quantitative Skills- B.S Track requirements with two courses from the list below.

**IR B.S** students must fulfill the Quantitative Skills- B.S Track requirement with one course from the list below and *may* fulfill their additional skills requirement with a second course from the list below.

Students may not use their math benchmark courses to fulfill any of the skills requirements. GVPT courses used to satisfy a skills requirement may not also fulfill any other major requirement, such as courses of choice.

**Many of these courses have prerequisites and other restrictions. It is the student's responsibility to proactively review course descriptions to confirm courses they register for are not duplicates of courses they have already completed.**

### MATH

MATH107  
MATH113  
MATH115  
MATH120  
MATH135 [BSCI/NEUR students only]  
MATH136 [BSCI/NEUR students only]  
MATH140
