

GOVERNMENT & POLITICS— BACHELOR OF ARTS

Foreign Language Courses

Below is a list of foreign language courses offered at the elementary and intermediate level at UMD. Students must complete the entire elementary level of the language to satisfy the Elementary Foreign Language requirement. Students are only required to complete the first intermediate level of a language to satisfy the Intermediate Foreign Language requirement.

Students in the International Relations concentration must take an Intermediate Foreign Language. Students not in the concentration have a choice between an Intermediate language and an additional quantitative methods course.
